Berty Technologies (“Berty”) utilizes state-of-the-art security and end-to-end encryption to provide private messaging, Internet calling, and other services to users worldwide. You agree to our Terms of Service (“Terms”) by installing or using our apps, services, or website (together, “Services”).

Minimum Age

You must be at least 13 years old to use our Services. The minimum age to use our Services without parental approval may be higher in your home country.

Privacy of user data

Berty does not sell, rent or monetize your personal data or content in any way – ever.

Please read our Privacy Policy to understand how we safeguard the information you provide when using our Services. For the purpose of operating our Services, you agree to our data practices as described in our Privacy Policy.

Software

In order to enable new features and enhanced functionality, you consent to downloading and installing updates to our Services.

Fees and Taxes

You are responsible for data and mobile carrier fees and taxes associated with the devices on which you use our Services.
